CAMERA MAGIC

#7. This is the man you were all trying to identify. There is no mystery now is there? Mr. Walker Lyon is a past president of the American Hibiscus Society. He was elected president at the annual membership meeting in 1964 at Winter Haven and served two terms.

Some of the members wrote in saying the pictures were of Ted Rittenmar, Col. William A. Squires, Bob Bowman, Ralph Philo and some even said it was the editor, James Monroe. You see how wrong you were: Don't bother to send in a card now, you didn't win.

#8. New mystery photo. Let's see if you can do any better with the fair sex. Same deal. The first correct identification to reach the Executive Secretary, in writing, will receive one year's dues free. Get your thinking caps on. The Ex. Sec. reserves the right to disqualify relatives of the fair lady.
